SUMMARY

Creative Lead with 8+ years across affiliate performance marketing, SaaS, eCommerce, and B2B content. I build the creative operating systems that let content teams ship at scale — from cross-vertical hook libraries and AI-augmented content pipelines to custom internal tools that break creative silos.

Currently at Adsparkx leading creative and content ops across 5 performance-marketing verticals: Healthcare, Health Insurance, Fintech, Consumer Lending, and Auto & P&C Insurance.

Areas of expertise: creative operations at scale, AI-augmented content workflows, performance marketing strategy, cross-functional team building, and generative-engine content optimization.

PROFESSIONAL EXPERIENCE

Team Lead — Creative April 2025 – Present

Adsparkx · Gurugram, India

- Lead creative and content operations across 5 performance-marketing verticals (Healthcare, Health Insurance, Fintech, Consumer Lending, Auto & P&C).
- Built a Claude + Gemini creative replication pipeline that analyzes winning creatives across script and visual frames. Phase 1 generates replica scripts. Phase 2 renders full video output (in development).
- Established a cross-vertical operating model that lets hooks and angles travel across silos, with a shared performance taxonomy and vertical-specific hook libraries.
- Grew creative production from 30 to 70+ creatives per day by integrating AI copywriting and automated video production workflows. Increased campaign profits by 30%.

Assistant Team Lead — Creative

December 2023 – March 2025

Adsparkx · Gurugram, India

- Led performance marketing initiatives across 5 verticals. Refined ad creatives and increased campaign profits by 30%.
- Built **ClickUp + n8n creative ops automation**: one master workflow with 30+ branches handling every event from brief creation to final delivery. 100+ creative handoffs a day, 365 days a year.
- Shipped the **News Intel Board**: Python scrapers plus Claude-authored backend scoring US news stories across three axes (virality, vertical relevance, emotional quotient). Auto-drafts angles and script starters for Debt and Personal Loans. Zero-cost on Vercel.

Creative Head — Content Marketing

March 2020 – November 2023

CEDCOSS Technologies · Lucknow, India

- Built and ran multi-channel performance marketing campaigns. Increased MQLs by 40% for Video Marketing Services.
- Led Go-To-Market strategies for multiple SaaS and eCommerce solutions. Earned Shopify Recommended Partner status through partner-led marketing programs.
- Grew creative production efficiency by 2.3x through structured L&D programs that ramped video editors into animators.
- Launched data-driven Account-Based Marketing (ABM) initiatives. Increased B2B deal closure rate by 20%.

Content Marketer

March 2019 – March 2020

CEDCOSS Technologies · Lucknow, India

- Ran a long-term content marketing strategy. Increased organic traffic by 45% and grew blog engagement by 30% through SEO-driven content.
- Produced localized content for U.S., Southeast Asia, France, and U.K. markets.
- Wrote SEO-driven landing page copy that ranked in the top 5 of Google SERP.
- Wrote press releases, corporate communications, launch copy, and brand positioning materials.

Brand Video Strategist (Self-Employed)

January 2018 – February 2019

Freelance · Delhi NCR, India

- Freelance video editing and brand video strategy for media houses and IT companies across Delhi NCR.
- Aligned each video project with the client's overarching marketing strategy — bridging production craft with marketing outcomes.

Corporate Communications Intern

June 2017 – January 2018

NDTV · New Delhi, India

- Progressed from Intern to PR Executive in 2 months.
- Coordinated production for NDTV's high-profile shows including *Hum Log* and *We The People*.
- Managed audience engagement, show flow, guest onboarding, and interactive Q&A sessions.

SELECTED PROJECTS

Claude Creative Replication Pipeline

On-demand agentic workflow in VS Code. Claude analyzes winning scripts and Gemini reads video frames, both driven by a system-instructions playbook. Phase 1 outputs replica scripts ready to shoot. Phase 2 renders full talking-head video with B-rolls and avatar variations.

Vibelets Pre-Launch Content Stack

Zero-audience-to-600-signups in 1.5 months. Built a full lead acquisition infrastructure: Framer-based site with blogs, Claude-drafted brand-voice content, customer journey emails, and a cold-email engine on Apollo + Instantly + NeverBounce.

Founder-Led LinkedIn Ghostwriting Practice

Multi-client ghostwriting practice serving two founders (Dusan Radovanovic, Nipun Taneja). Voice DNA doc per founder, n8n news intel pipeline, ManyChat comment automation, lead-magnet-to-connect mechanic. Grew Dusan from 5K to 25K+ followers.

News Intel Board

Self-hosted news intel for Debt and Personal Loans verticals. Python scrapers plus Claude-authored backend scoring stories on virality, vertical relevance, and emotional quotient. Auto-drafts angles and scripts. Hosted on Vercel at zero cost.

Coding Sharks Gesture FX

Vibe-coded brand demo for a coding institute. Single-file HTML using MediaPipe Hands and HTML5 Canvas. 1,800 particles assemble into brand words and scatter when the visitor raises their hands. Safari-safe, no build system.
