SUMMARY

Creative Lead with 8+ years across performance marketing, B2B SaaS and brand. I make content that stops the scroll, then build the systems and teams that ship it at volume: AI pipelines, automated creative ops and internal tools.

14,513 creatives shipped across 5 performance verticals	**5M+** impressions via founder branding · 5K → 25K+ followers	**+30%** profit on performance campaigns	**600** signups in 1.5 months, $0 ad spend

EXPERIENCE

Adsparkx

Gurugram · Dec 2023 – Present

Team Lead, Creative · Apr 2025 – Present · Assistant Team Lead, Creative · Dec 2023 – Mar 2025

- Lead creative and content ops across **5 performance verticals**: healthcare, health insurance, fintech, consumer lending and auto insurance.
- Scaled to **200+ creatives a day** after enabling AI copywriting and automated video production. Performance campaign profit up **30%**.
- Automated creative ops on ClickUp + n8n: one workflow with 30+ branches runs **100+ creative handoffs a day**, brief to delivery.
- Built AI tools the team uses daily: a Claude + Gemini pipeline that turns winning ads into replica scripts and video, and a news board that drafts angles every morning.
- Set up a cross-vertical operating model with a shared hook library, so winning hooks travel between verticals.
- Wrote and designed the **vibelets.ai** launch site and ran pre-launch content for a B2B AI product: **600 signups in 1.5 months, $0 ad spend**.
- **Newcomer Award** for driving impactful change at Adsparkx.
